Bus/ Routing Cards are here! These PVC cards are extremely durable, and come with our 6" clear loop for attaching to backpacks or belt loops. The front of the card is customized with your school name and information for free! The back of the card is blank so you may include the necessary student or routing information by using the FREE sheet labels provided with your order or using a permanent marker to write the information directly on the back of the card. Use this product with our Breakaway Lanyards for added visibility at an additional cost.
